

# Temptations that Americans Face

---

Pastor Tom Knight – May 24, 2015

Mark 6:1-6

## Four Temptations that Americans Face

- 1) The temptation to rest upon our past accomplishments
- 2) The temptation to enjoy the fruits of citizenship without tending the tree of liberty.
- 3) The temptation to enjoy the benefits of capitalism while ignoring our conscience.
- 4) The temptation to leave God out of the equation.
